

PILI

ALUMNI PROGRAM

Today, over 3,000 law students and graduates have participated in PILI's Internship and Fellowship Programs. These public interest lawyers span the globe and the profession; from law firm and corporate attorneys, to members of the judiciary and government sector, to members of the public interest law and higher education communities. The Alumni Program maintains the connection between these public interest lawyers, PILI and the public interest law community. Relevant programming, social and networking opportunities and mentoring opportunities are offered to Alumni.
